About CLEA

Community Legal Education Association (CLEA) is a registered charity that helps Manitobans learn about the law and our legal system. We have been providing our many services and programs, most of them free of charge, since 1984. Our programs help promote access to justice by fostering an understanding of our justice system. Some of our specific programs include:

- The Law Phone-In & Lawyer Referral Program: a free telephone legal information and lawyer referral service,
- Publications written in plain language on a variety of legal topics (available online and in print),
- Free presentations about the law for community groups and schools ,
- Training courses about the law for community service providers ,
- An annual law conference.

This past year, Law Phone-In fielded over 8,000 calls, we distributed over 4,500 publications, over 600 people attended our law presentations, Community Legal Intermediary courses, and law conference.
