### FundScrip Fundraising Program

Looking for a great way to finish your holiday shopping and support CLEA at the same time? Please consider buying your gift cards through our FundScrip fundraising program.

For every gift card purchased, CLEA receives a percentage of the purchased amount. Nothing is deducted from the gift card value. If you purchase \$100, you get \$100.

Supporting the campaign is easy:

- enroll online at: <https://www.fundscrip.com/login>
- enter CLEA's campaign code **XWLVD4**
- choose your cards.

For the price of a stamp, the cards will be delivered straight to you!

Payment is easy – to ensure the maximum contribution to CLEA, FundScrip will provide you with an account number to set up bill payments through your online banking. Another great option is to sign up for EFT payments. EFT makes ordering faster and allows you to set up subscriptions for your favourite cards.

FundScrip offers a wide variety of gift cards from over 80 retailers. A few examples are:

Amazon.ca  
Bath & Body Works  
Petro Canada  
Safeway and Sobeys  
Real Canadian Superstore  
Tim Horton's  
Walmart  
Starbuck's

Gift card ordering makes it easy to continue supporting CLEA throughout the year. By paying for every-day purchases using gift cards, you will feel good knowing that your monthly grocery, gas, restaurant, clothing, or coffee purchases also help CLEA provide valuable programs and services!
